

GLOBAL EXPRESS N949GP

THIS IMMACULATE ultra-long range aircraft has luxurious and exquisitely appointed cabin with every amenity, ensuring ultimate comfort on every private jet charter flight. With typical cruise speed of mach 0.85 to 0.87, destinations are reached faster and the Bombardier Global Express's maximum range of over 6,000nm (13.5hrs) ensures longer-range non-stop charter flights. The Bombardier Global Express is FAA Part 135 Certified for nine passengers, the spacious cabin measuring over 48 feet long and eight feet wide comprises of three dividable areas, with four VIP club seats in the forward section, four executive club seats and a three seat divan in the mid section, and a VIP club seat and two-

seat divan which converts into a double bed in the aft section. Cabin dividers ensure additional privacy. The crew rest area, forward bathroom, fully fitted galley including hot oven and microwave are located in the entry area and a second more spacious bathroom is in the rear. Additional features for convenience and comfort

include satellite phone, fax and printer and a state-of the art entertainment system with mounted LCD monitors and individual seat monitors. Our Bombardier Global Express is a new generation business jet that meets the needs of today's business traveler with its enhanced performance and advanced technology.
